

## A Two-Way Integration with QuickBooks Desktop

**Establish bi-directional data flows to easily share information between Northspyre and QuickBooks Desktop without sacrificing quality control.**

### Maintain Financial Accuracy

Instantly sync invoices, payments, and journal entries across systems, eliminating manual data entry and discrepancies between the budgeted data in Northspyre and the official books of record.

### Improve Collaboration

Reduce interruptions, speed up decisions, and keep everyone aligned with real-time financial visibility across development and accounting.

### Expedite Vendor Payments

Send invoice and payment data in real time, speeding up invoicing processes without sacrificing quality control.
